

# NGEN Charity Cup Dodgeball: have your teams registered?

The biggest event on the NGEN calendar is just around the corner as the NGEN Charity Cup kicks off in Melbourne this week (19 May), followed by Sydney (26 May) and Brisbane (1 June).

This year's dodgeball tournament is raising money for UnLtd charity partner Musicians Making a Difference (MMAD), an Australian charity that uses the power of music to help over 20,000 at-risk young Australians every year across 15 communities, and a further 1.5 million people through online initiatives.

In addition to doing good, the NGEN Charity Cup is a great opportunity for NGENers to connect and build relationships, and most importantly, compete for the coveted title of Charity Cup champions.

As leaders in our industry, support this important event by encouraging your NGENers to form a team and participate in the event.

**And all NGENers, rally your peers and get involved!**

- Sydney and Brisbane registrations are still open! Each team consists of eight people, but if you have fewer than eight NGENers in your agency, please reach out to the NGEN team, and we will match you with another member company. If you have more than eight NGENers, feel free to submit more than one team. Spectators are also welcome to attend.
- Encourage everyone in your agency to buy raffle tickets. Otherwise, agencies can stake their team's entry fee (\$500 per team).
- Help us achieve our goal of raising \$40,000 for MMAD! Last year, we raised nearly \$30,000 and this year we want ALL MFA agencies and media owners to get involved.

*Check out the team links below and  
buy raffle tickets to support your teams.*

A big thank you to our sponsors for making the Charity Cup possible
