

What is MFA EX?

MFA EX is a day where the media agency industry stops - to educate, challenge, and inspire each and every one of us to drive an effectiveness culture in everything we do, and thus continuing our mission to deliver our industry purpose. It is not just about what we do, but why and how we do it.

The 2024 event theme is 'Change for the better'. Content will fit under one of the four key pillars: bettering our product/craft, bettering our people, bettering our society/environment and a client's perspective.

As an industry, our purpose is to influence change, for society, for the economy, our clients, our agencies, our people, and our careers. [We Are The Changers!](#)
