

MFA event attendance policy – Coronavirus and MFA activities

As at 12 March 2020

In respect to member policies and to minimise risk to members and their employees, the MFA will implement the following event policy, effective immediately until April 30.

The MFA will refrain from holding off-site MFA events that involve more than 50 people, effective immediately until April 30.

For MFA events with less than 50 people, the MFA will:

- Issue appropriate warnings regarding greetings and no attendance by anyone exhibiting cold/flu symptoms/feeling ill
- Provide hand sanitisers
- Ensure seating is spacious

We will be taking a 'watch and see' approach and re-asses this policy as the situation develops along with member policy changes.

What this means for members and their teams is that the we will either postpone or scale back live events to a maximum of 50ppl and explore how we can execute our programs differently e.g. live streaming/pre-recording/agency in-house activities.

If you have questions as to how this impacts your team or scheduled event attendance, please contact the MFA on 02 9282 9634 or mfa@mediafederation.org.au.

Our goal is to ensure that our programs continue to deliver high value and outcomes for you and your teams, despite these execution challenges. Thank you for your support and understanding as we work together for the health and wellbeing of everyone in our community.
