

## MFA event attendance policy – Coronavirus and MFA events

As at November 2021

In respect to member policies and to minimise risk to members and their employees, the MFA will implement the following event attendance policy for all MFA events, effective immediately and until further notice. This includes NGEN training workshops and MFA arranged committee meetings.

**All in-person MFA event attendees are required to be fully vaccinated with a COVID-19 vaccine and must be able to provide proof of vaccination status.**

Wherever possible, alternative options to attend MFA events will be made available such as live streaming, on demand, webinars, and virtual meeting options.

Individuals who are able to provide proof of an official medical exemption can attend in-person MFA events.

We will be taking a 'watch and see' approach and re-asses this policy as the situation develops along with member policy changes.

If you have questions as to how this impacts your team or scheduled event attendance, please contact the MFA on 02 9282 9634 or [mfa@mediafederation.org.au](mailto:mfa@mediafederation.org.au).

Our goal is to ensure that our programs continue to deliver high value and outcomes for you and your teams, despite these execution challenges. Thank you for your support and understanding as we work together for the health and wellbeing of everyone in our community.
